

AN EASTER POEM by

There is a little bunny  
He has a little nose  
He has long ears  
A fluffy tail  
And fur as white as snow  
All the eggs from his basket  
In Spring he hides for you  
Yellow and pink, green and purple,  
red, white, orange and blue.  
Are you ready for the fun?  
Watch him hop, hear him sing  
Happy Easter boys and girls  
Let the egg hunt begin!
