

PLOT TEMPLATE INSTRUCTIONS

- ✓ Cut out the plot template (PAGE 2). Fold along the vertical line and stick the back (**G**) to the lapbook.
- ✓ On the second page there are two plot summaries A and B choose which is better for your students.
- ✓ Cut the five sections and glue to the front of **G**. Then cut along the lines marked a,b,c and d.
- ✓ Each part of the story can be read by turning the mini pages.
- ✓ Another idea could be to get the kids to write their own plot summary in 5 steps and write that in the five sections.
- ✓ ENJOY AND CHANGE AS YOU LIKE!
